WHO WE ARE

DelVal Flow Controls is an industrial valve & actuator manufacturer with a team of over 455 engineers. We design our own product lines and test 100% of our products. All valves and actuators manufactured by DelVal Flow Controls are serialized and come with a standard manufacturer's **3-year warranty**.

PRODUCTS BUILT TOUGH FOR THE MARINE INDUSTRY

Our high-quality product lines have unique features and benefits that provide improved reliability, extended service life, and reduced costs.
